THE PROSECUTION OF THE OPIUM FARMER.

T BEG to express through your columns my deep regret that I should in a hasty moment, in consequence of my not being able to read or understand Chinese accounts, have commenced a prosecution against Mr. Koh Chang Sean, the Chief Manager of the late Opium Farm, with reference to the funds of the Cheang Tek Kong See. A complete investiga- ing Brethren are cordially invited. tion into the matter and a careful examination of the books and accounts have thoroughly convinced me that my suspicious were whelly groundless, and that there has been nothing whatever in Mr. Koh Cheng Sean's management of the business of the Opium Farm that is in any way reprehensible; and further, that he has all along been doing his best, honestly A and faithfully, for the benefit of the Cheang TUESDAY, the 20th instant, at 8.30 for 9 P.M.

Tek Kong See. I should be obliged if you would insert this letter in your correspondence column once, and afterwards as an advertisement for the period of one month, as I am anxious to undo as far as possible any injury I may have, through my hasty and unjustifiable action, inflicted upon Mr. Koh Cheng Sean.

Yours truly, OH TEK LEONG. Hongkong, 23rd March, 1892.
